Dear Community Service provider

The "*Keys to Living Together*" product package

I am pleased to provide you with a pack of "*Keys to Living Together*" kits, a series of family relationship resources from the Australian Government.

"*Keys to Living Together*" kits are a valuable and relevant resource for several family types. There are three separate kits for pre-married or committed couples, couples with a newborn, and step or blended families.

The kits cover issues central to any couple relationship, such as dealing with finances, conflict resolution and communicating effectively. Each kit contains an interactive DVD and mini-magazine, with activities for families to complete together.

I encourage you to promote these kits through your networks, creating greater community awareness of the products available to build stronger relationships. Further copies of the kits can be ordered by contacting 1800 050 009 or emailing keys@fahcsia.gov.au.

I hope that you find these kits a valuable resource to assist you in supporting families to meet their personal goals around strengthening their relationships.

I recommend the "*Keys to Living Together*" product package to all Australian families.

Yours sincerely

Robyn Fleming
